

OUR OFFER FOR THE MEMBERS OF THE BI STATE TRUCKING ASSOCIATION

To promote our new inventory of pre-mounted underslung gensets we would like to offer members of the Bi-State Trucking Association 3 free usage days, per company when you pick up a genset and chassis combination out of Woodbridge.

In addition to Woodbridge we will also be offering underslung gensets pre-mounted for use with reefer containers at 215 Port Terminal Blvd Bayonne and 88 Marsh Street in Newark.

Please note we will need a signed contract and insurance requirements before releasing any equipment. Please email jeff@gensetpool.com to complete the quick sign up.
