The Association of Bi-State Motor Carriers: Dedicated Advocates Working for You

The Association of Bi-State Motor Carriers is an independent, organized group of experienced trucking industry owners and operators that have demonstrated a proven track record for successfully tackling the operational problems affecting the intermodal industry serving the Port of New York-New Jersey.

Over the years, we have developed a solid working relationship with officials at the Port Authority, Regulatory Agencies, Legislators, the Shipping Lines and Terminal Operators. We have achieved this, in part, through our General Membership meetings and regularly scheduled meetings with stakeholders across the supply chain, where we openly discuss the many issues that have impacted our industry, and work together to solve them. Our primary focus is to provide solutions to the problems that impact your success, in cooperation and collaboration with all members of the Port Community.

We provide strong, respected representation for the intermodal trucking community.

When you become a Bi-State Member, you actively share in the success that being achieved on behalf of companies like yours. Members receive email bulletins with breaking news, valuable information on the issues and emergent situations that impact our industry, and reliable, dedicated advocacy: join today and experience the value and power of strength in numbers.

Our Mission

The Association of Bi-State Motor Carriers is proud to represent the port trucking community, and provide a strong, unified voice for its members.

We provide a forum where intermodal motor carriers and businesses in trucking-related industries can share ideas, solve problems, collaborate, promote the efficient flow of cargo, and maintain supply chain fluidity.

About Our Association

The Association of Bi-State Motor Carriers was reorganized and incorporated in 2002. The Bi-State is dedicated to actively representing the interests of motor carriers engaged in intermodal transportation, especially at the Port of New York-New Jersey. Our members are domiciled across the U.S. and Canada. The Bi-State is a registered 501c4 non-profit organization.

The Association of Bi-State Motor Carriers reserves the right to refuse, suspend or revoke membership to any individual or member company that fails to adhere to our organization's Code of Conduct. No refunds will be issued for anyone whose membership is suspended or terminated.

The Valuable Benefits of Membership

- **Daily port reports, terminal updates, and breaking industry news bulletins**
- **Assistance and troubleshooting with terminals, steamship lines, equipment providers, state & federal agencies**
- **Access to Members-Only Street Turn Forum**
- **Strong, respected representation in the port community and beyond**
- **Eligibility for College Scholarship Program**
- **Active monitoring & advocacy on Federal and State Legislative Activity & Policies Affecting the Intermodal Industry**
- **Website with Terminal Gate Cameras, Call to Action information & industry-wide updates**

The Association of Bi-State Motor Carriers works tirelessly for its members. Join now, and be a part of a growing network of intermodal industry companies that understand the value of "strength in numbers."

We will represent your interests and advocate on your behalf in all matters that impact the ongoing success of intermodal transportation.

Here are just a few examples of how the Bi-State continually works to provide our membership with a strong voice in the Port Community:

- Long-range outreach to improve public relations and foster better understanding of the issues that matter to you most
- Lobbying for legislative initiatives and beneficial reforms to improve conditions at the port
- Hosting Focus Groups with Terminal Operators to air and address concerns in a timely manner
- Encouraging an open dialogue and exchange of ideas in the Port Community across the U.S.
